

PRESS STATEMENT FOR RELEASE 16.08.11

CALLING ROLLERSKATING FANATICS!

CurveMotion, the new Bury St Edmunds based family interactive leisure venue, has released details of a charity skateathon it will be holding on Sunday 11th September 2011 as part of the St Nicholas Hospice Accumulator Challenge.

The skateathon will be open to anyone of any age to skate as many laps of the CurveMotion rink as they can. Those who really want a challenge are being invited to skate the full 422 laps that make up the 26 miles of a full marathon. Skaters are being asked to raise a minimum of £20 sponsorship if they are 16 and under and £50 if they are over 16, with all sponsorship plus a percentage of the entrance fees on the day going directly to St Nicholas Hospice.

All those taking part in the event will receive a certificate detailing the amount raised, and those who skate the full 422 laps will receive free entry to a session of their choice.

Sarah Stamp, Spokesperson for CurveMotion explained: "We are really excited about the skateathon - not only is it going to be great fun, but it gives us a chance to raise money for an excellent local cause which is very close to our hearts. We have a number of other fundraising initiatives planned for the day, including a slave auction of staff members, so anyone visiting CurveMotion on the 11th September can expect a real party atmosphere and lots of fun!"

Those wishing to take part in the Skateathon should book online at www.curvemotion.com or email enquiries@curvemotion.com for further information and a sponsor form.

NOTE TO EDITORS:

CurveMotion is based on Lamdin Road, Bury St Edmunds and opened to the public in April 2011.

The St Nicholas Hospice Accumulator Challenge started in July when local businesses were given £50 as a starting point to turn into the biggest sum possible for the charity. Further information on the challenge can be found at

<http://www.stnicholashospice.org.uk/Events/Accumulator+Challenge+Events>

If you are interested in coming along to the event, please contact Sarah Stamp on 07584 028671 or at sarah@sarahstamp.co.uk.
